\$8,499,000**

This refined French chateau designed by Robert Zampolin and featuring 18,000 square feet of living space nestled majestically on approximately 1.5 gated acres. The grounds are immaculately maintained with unparalleled gardens, this estate is opulently and flawlessly built to last generations. This home features banquet sized rooms and grand scale entertaining spaces. Large terraces off main reception rooms offer panoramic views of the property. The home features movie theater, wine cellar and beautiful indoor pool with spa. The home features an ample court yard parking, four car garage, outdoor play area and tennis courts. All bedrooms are en-suites with walk-in closets and terraces.
